

Danique Jeurissen

Columbia University
Department of Neuroscience
c/o Shadlen lab
College of Physicians and Surgeons
630 West 168th Street, Room 16-408A
New York, NY 10032
United States of America
Phone: (+1) 212-305-4510 (lab)
E-mail: jjj2132@columbia.edu

Position:

08/2015 - present Postdoctoral fellow
Columbia University
Department of Neuroscience
New York, NY, USA
Advisor: Prof. Michael N. Shadlen
Co-advisor: Prof. Doris Y. Tsao (Caltech)
Fellowship: Simons Foundation

Education:

12/2010 - 07/2015 PhD
Netherlands Institute for Neuroscience
Royal Netherlands Academy of Arts and Sciences
Department of Vision and Cognition
Amsterdam, the Netherlands
Thesis: Perceptual grouping of complex objects in the primate visual system
Degree: March 10, 2016; VU University, Amsterdam, the Netherlands
Advisor: Prof. Pieter R. Roelfsema
Co-advisor: Dr. Matthew W. Self

08/2010 - 11/2010 Research internship
University of California San Diego (UCSD)
Center for Brain and Cognition, San Diego, CA, USA

01/2010 - 07/2010 Research internship
Harvard Medical School
B.-A. Center for Noninvasive Brain Stimulation, Boston, MA, USA
GPA: 9.5 (1-10 scale), equivalent to A+

09/2008 - 08/2010 MSc, Graduated *Cum Laude*
Maastricht University
Department of Psychology and Neuroscience, Maastricht, the Netherlands
GPA: 8.7 (1-10 scale), equivalent to A+

01/2008 - 06/2008 Graduate and undergraduate elective courses
University of California, Los Angeles (UCLA)
Department of Psychology, Los Angeles, CA, USA
GPA: 3.9 (0-4 scale), equivalent to A

09/2005 - 08/2008 BSc
Maastricht University
Department of Psychology and Neuroscience, Maastricht, the Netherlands
GPA: 7.6 (1-10 scale), equivalent to A

Research grants:

07/2016 - 06/2019: Postdoctoral Fellowship

Title: Flexible routing of information through specialized networks in the brain

Funding agency: Simons Foundation

Program: Simons Collaboration on the Global Brain

PI: Danique Jeurissen

Co-PIs: Michael N. Shadlen and Doris Y. Tsao

Amount: 234k\$

Awards & scholarships:

- 2016: Brain Award for Scientific Excellence, Netherlands Institute for Neuroscience, Royal Netherlands Academy of Arts and Sciences (sculpture & 1.0k€).
- 2014: Best oral presentation award, 21st annual meeting ONWAR graduate school.
- 2013: Stipend, vision summer school at the Cold Spring Harbor Laboratory (500\$).
- 2013: Best short oral presentation award, 20th annual meeting ONWAR graduate school.
- 2012: Student travel award, Vision Science Society Conference (500\$).
- 2011: Student poster award, 34th European Conference on Visual Perception (500€).
- 2010: Cum Laude Master of Science degree.
- 2010: Scholarship, internship at UC San Diego: VSBfonds (6.0k€).
- 2010: Scholarship, internship at UC San Diego: Prins Bernhard Cultuurfonds (1.0k€).
- 2010: Scholarship, internship at Harvard Medical School: Stichting Dr Hendrik Mullers Vaderlandsch Fonds (2.5k€).
- 2010: Scholarship, internship at Harvard Medical School: Schuurman Schimmel- van Outeren Stichting (2.0k€).
- 2010: Scholarship, internship at Harvard Medical School: Maastricht University, Faculty of Psychology and Neuroscience (1.1k€).
- 2010: Scholarship, internship at Harvard Medical School: Fundatie van de Vrijvrouwe van Renswoude te Delft (2.0k€).
- 2008: Scholarship, elective courses at UC Los Angeles: Maastricht University, Faculty of Psychology and Neuroscience (€1.2k).

Selected invited talks:

- 09/2016: Simons Foundation Annual Meeting, New York, NY, USA
- 05/2015: New York University, New York, NY, USA
- 04/2015: Rutgers University, Newark, NJ, USA
- 08/2014: Salk Institute for Biological Studies, San Diego, CA, USA
- 08/2014: Stanford University, Stanford, CA, USA
- 08/2014: California Institute of Technology, Pasadena, CA, USA
- 08/2014: Columbia University, New York, NY, USA
- 08/2014: The Nathan S. Kline Institute for Psychiatric Research, Orangeburg, NY, USA
- 07/2014: New York University, New York, NY, USA
- 07/2014: Columbia University, New York, NY, USA
- 07/2014: Rockefeller University, New York, NY, USA
- 07/2014: Massachusetts Institute of Technology, Cambridge, MA, USA
- 07/2013: Harvard Medical School, Boston, MA, USA
- 10/2012: Amsterdam Vision Meeting, Amsterdam, the Netherlands

Additional courses:

- 2013: Cold Spring Harbor Laboratory, NY, USA
Summer school – Vision: A Platform for Linking Circuits, Perception, and Behavior
- 2010: ERP Laboratory, UCSD, CA, USA
Graduate Course – Electroencephalography
- 2010: Center for Noninvasive Brain Stimulation, Boston, MA, USA
Course – Transcranial Magnetic Stimulation
- 2009: University College London, UK
Summer School – Attention, Perception, and Motor Cognition

Peer reviewing:

- Acta Psychologica;
- Attention, Perception, and Psychophysics;
- Cognitive, Affective, and Behavioral Neuroscience;
- Current Biology;
- Journal of Cognitive Neuroscience;
- Journal of Neuroscience;
- Nature Neuroscience;
- Psychonomic Bulletin and Review;
- Social Cognitive and Affective Neuroscience;
- Visual Cognition;
- Visual Neuroscience.

Teaching:

- 2016: Mentor in the Exceptional Research Opportunities Program (EXROP) at Columbia University. EXROP is a Howard Hughes Medical Institute sponsored program in which undergraduate students gain research experience during a summer internship.
- 2014: Guest-lecture for researchers (level: graduate students to PI) on working with non-human primates in biomedical research in the course 'Laboratory Animal Science'.
- 2011: Guest-lecture for students (level: Master of Science) at VU University about visual perception in their course 'Clinical Neuroscience'.
- 2011 - 2015: Supervising students (level: Bachelor and Master of Science) during their research internship at the Netherlands Institute for Neuroscience.
- 2011 - 2015: Supervising students (level: Bachelor and Master of Science) during practicals at the Netherlands Institute for Neuroscience.
- 2007 - 2008: Teaching assistant for students (level: Bachelor of Science) at Maastricht University in the courses 'Body and Behavior' and 'Programming'.

Selected activities & outreach:

- 06/2016 - present: Member *ChickTech* New York
ChickTech is a nonprofit dedicated to retaining women in the technology workforce and increasing the number of women and girls pursuing technology-based careers. I volunteer for the team that organizes workshops for high-school girls to learn about science, technology, engineering, and math.
- 10/2012 - 06/2015: Organizer and teacher at the *Weekendschool*
Elementary school students from underprivileged neighborhoods in the Netherlands can participate in the supplementary education program 'Weekendschool'. In their yearly course on medical and biological sciences, students visit the Netherlands Institute for Neuroscience for a day to learn about the brain.
- 10/2011: Researcher at the 'Science-fair' at the Academic Medical Center, Amsterdam
Explaining neuroscientific research (techniques / research questions / the work of a scientist) to the general public (aged 1-99).
- 06/2011 - 01/2014: Member Teaching Committee, ONWAR graduate school
I was the PhD-student representative in the graduate school teaching committee to evaluate courses for graduate students.
- 09/2008 - 12/2009: Member Student Council, Maastricht University
During my Master of Science studies I was a member of the student council at Faculty of Psychology and Neuroscience.
- 09/2008 - 09/2009: Member Marble Program, Maastricht University
I was the student-member in the committee that developed the *Maastricht Research Based Learning* (MARBLE) program for undergraduate students.
- 02/2008 - 06/2008: Member *Interaxon*, University of California Los Angeles
During my studies abroad I joined the Interaxon group to organize events and teaching elementary school children about the brain through presentations and games.

Publications:

* = Equal contribution / co-first author
